### CALL CONTRADICTED.

It will be remembered that Senator Call, in his open letter to the proprietor of the Witness, said:

"The late General Green C. Smith, the pastor of the Metropolitan Baptist Church in Washington, a man to whose splendid record of gallant and meritorious service in the Union army has added a life of beautiful piety and devotion to the interests of humanity, a man of learning, eloquence and ability, was my true friend and proposed the coming year to travel over Florida with me in advocacy of my re-election to the senate and in my defense against you and the paid hirelings of the gold monopolists and the enemies of the people."

### WHAT THE ACTING CLERK SAYS.

"In regard to the question of Dr. Green Clay Smith aiding Senator Call's candidacy in Florida, I would say that he never had such a thought in his mind. I have been intimate with Dr. Smith for years, and was with him during his last sickness, and by his request I had full charge of his funeral services—and never in one word did he express himself as contemplating such a trip to Florida as Senator Call seems to have planned for him. Dr. Smith was a strict prohibitionist, and never mixed with scheming politicians."

N. S. HANKS,

Acting Clerk of the Metropolitan Baptist Church.  
Washington, D. C., Sept. 3, 1895.

### EDITOR CRANFILL SPEAKS.

"I know that the statement Senator Call makes concerning Dr. Green Clay Smith is false in toto. Dr. Smith was a member of the prohibition party and could not under any circumstances have championed the candidacy of a whisky drinker for any office. You are at liberty to publish this personal statement from me, and I will say something more about the matter in the Baptist Standard next week."

J. B. CRANFILL,  
Editor Texas Baptist Standard.  
Waco, Texas, Sept. 2, 1895.

This speaks for itself, and shows that Mr. Call will even stoop to defame the character of the dead to delude the "dear people" and keep himself in office.

O Florida! Land of beautiful sunshine and sweet flowers! How long wilt thou have to suffer misrepresentation and disgrace at the hands of political corruptionists and immoral demagogues? Our Florida citizenship is above the average in intelligence and moral worth, and we believe the time has come for the noble yeomanry of our country to come to the front and clean out the Augean stables and work a moral and political reformation that will challenge the admiration of the whole world.
